PRAYER FOR THE SUPREME COURT

The Supreme Court will this month make an important decision about the status of so-called "gay marriage". The decision is in the hands of the justices. All we can do is pray and fast. On **Sunday, 14 June 2015** we will again pray the **2,000 Hail Mary Novena** for a favorable ruling. The prayers will begin promptly after Sunday Mass at **12:30 PM**, and, after a break for the **05:00 PM** Mass, end at **09:00 PM**. You may join us for all or just part of the time. Perhaps, each one can do an hour of prayer. Every prayer, especially in community like this and through the intercession of Mary, is very powerful. The prayer service will be in the church. For questions, call **Mary Ellen Peloso 650/269-7784** or **Deacon Dominick 650/269-6279**.

FATHER'S DAY CARDS

Father's Day is June 21st! What could be a better gift to your father, husband, father-in-law, grandfather, godfather, brother, brother-in-law, uncle, son, or friend than to be remembered in a novena of Masses in observance of Father's Day at the Church of the Nativity? Father's Day Cards are available at the entrances to the church. Put the name(s) of your loved ones who are fathers, living or deceased, on the larger envelope and return it to the parish office or put it into the collection. Send the card to your favorite father. These names will be placed on the altar during June so that they will be remembered in a novena of Masses that will be said in their honor.

REGISTER WITH THE PARISH

We welcome all visitors and invite those who are considering coming home to the Catholic Church to register. Church attendance alone does not make you or your family registered members. To register online, please go to www.nativitymenlo.org and fill out the Parish Registration Form. THE HOLY FATHER'S PRAYER INTENTIONS

Each month **His Holiness** asks for general and missionary prayer intentions. For **June 2015**, the Holy Father's prayer intentions are:

Universal: *Immigrants and Refugees*

That immigrants and refugees may find welcome and respect in the countries to which they come.

Missionary: *Vocations*

That the personal encounter with Jesus may arouse in many young people the desire to offer their own lives in priesthood or consecrated life.

IN THE COMMUNITY

NATIVITY DATE NIGHT

Our fourth **Date Night for Married Couples** will be on **Saturday, 20 June 2015, 06:00-08:30 PM** in the O'Hare Center (back of church). This month **Lisa Andrews**, a professional artist and parishioner, will show us what goes into religious art, both artistic principles and methods, as well the theology behind it, and how it complements the spirituality of the "domestic church", the family. Additionally, **Deacon Dominick** and **Mary Ellen Peloso** will present a conference on "*Some of the Myths and Realities of Marriage*." These evenings have been times of great joy and a celebration for married and soon-to-be married couples. The **Nativity Men's Prayer Group** will be barbecuing. We ask that attendees bring some food to share as a supplement to their cooking. We also ask for reservations to properly plan and prepare: call **Mary Ellen, 650/269-7794**, or email dominickpeloso@aol.com.

HOLY LAND TOUR

You are invited to take the trip of a lifetime to the **Holy Land**, the place where Jesus lived, walked, died, rose from the dead, ascended to heaven, and where the Holy Spirit inspired the first generation of Christians. **Mrs. Jan Conway Willbanks**, a parishioner with much experience, has organized a trip especially for Nativity Parishioners from **13-22 October 2015**. There is an expertly-planned trip by **NAWAS International**, which has run these pilgrimages for over 66 years. In addition to the experienced Holy Land guide, **Deacon Dominick** and **Mary Ellen Peloso** will provide spiritual guidance and lead prayerful reflections. We will visit Tel Aviv, Caesarea, Haifa, Tiberias, Nazareth (Mary's house is where God first became man), the Sea of Galilee, Cana, Jerusalem, Bethlehem, the Mount of Olives and more. We take many vacations in our lifetime, sometimes spending much. This will be unlike any other trip. As a pilgrimage, it will increase your love and knowledge of Jesus. Your reading of the Bible will come alive. And this knowledge coupled with a deeper sense of union with Jesus will not end as you fly back to Nativity. It will last a lifetime. It is also a time from bonding and community building with our great family here at church. Please join us. This will be the trip you will talk about until the day you die and see Jesus yourself face to face. For more information, check out the flyers around the church and contact **Mrs. Conway Willbanks: 650/619-0554** or jan@connectionsww.com.

PADRE PIO'S

SANTAREM, PORTUGAL

In 1247, a woman in Santarem, Portugal, was concerned about her husband's faithfulness. She went to a sorceress, who promised the woman that her husband would return to his loving ways if the wife would bring a consecrated host back to the sorceress. The woman agreed.

At Mass, the woman managed to obtain a consecrated host and put it in a kerchief, but before she could return to the sorceress, the cloth became bloodstained. This frightened the woman. She hurried home and hid the cloth and host in a drawer in her bedroom. That night, the drawer emitted a bright light. When her husband saw it, the woman told him what had happened. The following day, many townspeople came to the house, attracted by the light.

The people reported the events back to the parish priest, who went to the house. He took the host back to the church and put it in a wax container where it continued to bleed for three days. The host remained in the wax container for four years. One day when the priest opened the tabernacle door, he saw that the wax had broken into numerous pieces. In its place was a crystal container with the blood inside.

AVIGNON, FRANCE

In Avignon, France, in November 1433, a small church run by the Gray Penitents of the Franciscan order was exhibiting a consecrated host for perpetual adoration. After several days of heavy rain, the Sorgue and Rhône rivers had risen to a dangerous height. On November 30, Avignon was flooded. The head of the order and another friar rowed a boat to the church, certain that their little church had been destroyed. Instead, they saw a miracle.

Although water around the church was four feet high, a pathway from the doorway to the altar was perfectly dry, and the sacred host was untouched. The water had been held back in the same way the Red Sea had parted. Amazed by what they had seen, the Friars had others from their order come to the church to verify the miracle. The news spread rapidly, and many townspeople and authorities came to the church, singing songs of praise and of thanks to the Lord. Still today, the Gray Penitent brothers reunite at the Chapelle des Pénitents Gris every November 30 to celebrate the memory of the miracle. Before the blessing of the sacrament, the brothers perform a sacred chant taken from the Canticle of Moses, which was composed after the parting of the Red Sea.

REGENSBURG, GERMANY

In the Eucharistic miracle of Regensburg, a priest was assailed by doubts concerning the Real Presence of Jesus in the Eucharist during the Holy Mass. He delayed, therefore, in elevating the chalice and suddenly heard a light noise come from the altar. From the wooden crucifix above the altar, the Lord slowly extended his arms to the priest, took the chalice from his hands and exhibited the Blessed Sacrament for the adoration of the faithful. The priest, repentant, fell to his knees and begged forgiveness for having doubted. The Lord returned the chalice to him as a sign of pardon.

Miracles of the Holy Eucharist

SIENA, ITALY

In the Basilica of San Francesco in Siena, 223 consecrated Hosts have remained intact for over 280 years. On August 14, 1730, thieves were able to enter San Francesco's Church in Siena and steal the chalice containing 351 consecrated Hosts. After three days, on August 17th, the 351 consecrated Hosts were found intact in the dust of the alms box of the sanctuary of Santa Maria in Provengano. The entire population celebrated the finding of the consecrated Hosts which were immediately taken back to the church of San Francesco in a solemn procession. With the passing of time the Hosts did not change in appearance. Many times, distinguished men examined them with every means available and the conclusions were always the same: "The Sacred Hosts are still fresh, intact, uncorrupted, chemically pure, and do not present any sign of alteration".

In 1914, Pope St. Pius X authorized a test which was attended by many professors of health, chemistry and pharmaceuticals, among whom was also the well-known Professor Siro Grimaldi. The final conclusion of the edited report of the test stated: "The Sacred Hosts of Siena are the classic example of the perfect conservation of particles from unleavened bread, consecrated in the year 1730, and constitute a unique and most interesting phenomenon ... the laws of nature have been reversed."
