DEDICATION OF THE LATERAN BASILICA

The **Basilica of St. John Lateran** is the cathedral church of Rome and the official ecclesiastical seat of the Pope. Officially named the *Archbasilica of the Most Holy Savior*, it is the oldest and ranks first (being the only cathedral in Rome) among the four major basilicas of Rome, and holds the title of **ecumenical mother church** (mother church of the whole inhabited world) among Roman Catholics.

Pope from 440 to 461, during the time of the invasion of Attila the Hun. When Attila marched on Rome, Leo went out to meet him and pleaded for leave. SAINT MARTIN OF TOURS, Bishop (c. 316-397)

Martin was born to pagan parents; his father was a Roman military officer and tribune. Martin joined the Roman imperial army at age 15. He once gave a beggar half of his heavy officer's cloak, and later had a vision of Jesus wearing the cloak. Martin was persecuted by the Arians, who were openly hostile to Catholics, and later became first a hermit, then the bishop of Tours. Martin was the first non-martyr to receive the cultus of a saint.

MINISTRY AND GROUP NEWS

NATIVITY ADOPT-A-FAMILY

If you are looking for a way to find Christ in Christmas we would like to invite you, your family, and your co-workers to help out in our **25th annual Adopt-A-Family** program. We have approximately 190 needy families in our area that we would like to help. These families have been identified by our St. Vincent de Paul Society and other similar organizations as in need of assistance to brighten their Christmas. Parishioners pick a family of various sizes off the Christmas tree. They then purchase gifts for the children and a gift for the family. These gifts along with some food (provided by St. Vincent de Paul) are delivered by volunteers on **12 December 2015**. In addition, we have items that can be purchased (toiletries, diapers, etc.) for organizations to distribute to the homeless, unwed mothers and others with special needs. Needless to say, we also accept donations to assist families throughout the year. This is a wonderful way for everyone here that has been so materially blessed to share those blessings with those in need. To sign up, please see us outside church at the sign-up tables on the weekends of **14-15** and **21-22 November 2015**, or call **Mary Ellen Peloso** at **650/269-7794**.

(continued)

A century ago, at the beginning of the Great War, which Pope Benedict XV termed a “pointless slaughter”, another notable American was born: the Cistercian monk Thomas Merton. He remains a source of spiritual inspiration and a guide for many people. In his autobiography he wrote: “I came into the world. Free by nature, in the image of God, I was nevertheless the prisoner of my own violence and my own selfishness, in the image of the world into which I was born. That world was the picture of Hell, full of men like myself, loving God, and yet hating him; born to love him, living instead in fear of hopeless self-contradictory hungers”. Merton was above all a man of prayer, a thinker who challenged the certitudes of his time and opened new horizons for souls and for the Church. He was also a man of dialogue, a promoter of peace between peoples and religions.

From this perspective of dialogue, I would like to recognize the efforts made in recent months to help overcome historic differences linked to painful episodes of the past. It is my duty to build bridges and to help all men and women, in any way possible, to do the same. When countries which have been at odds resume the path of dialogue – a dialogue which may have been interrupted for the most legitimate of reasons – new opportunities open up for all. This has required, and requires, courage and daring, which is not the same as irresponsibility. A good political leader is one who, with the interests of all in mind, seizes the moment in a spirit of openness and pragmatism. A good political leader always opts to initiate processes rather than possessing spaces (cf. *Evangelii Gaudium*, 222-223).

Being at the service of dialogue and peace also means being truly determined to minimize and, in the long term, to end the many armed conflicts throughout our world. Here we have to ask ourselves: Why are deadly weapons being sold to those who plan to inflict untold suffering on individuals and society? Sadly, the answer, as we all know, is simply for money: money that is drenched in blood, often innocent blood. In the face of this shameful and culpable silence, it is our duty to confront the problem and to stop the arms trade.

Four representatives of the American people.

I will end my visit to your country in Philadelphia, where I will take part in the World Meeting of Families. It is my wish that throughout my visit the family should be a recurrent theme. How essential the family has been to the building of this country! And how worthy it remains of our support and encouragement! Yet I cannot hide my concern for the family, which is threatened, perhaps as never before, from within and without. Fundamental relationships are being called into question, as is the very basis of marriage and the family. I can only reiterate the importance and, above all, the richness and the beauty of family life.

Young Believers

THE WIDOW'S "MITE"

In today's gospel we hear about the widow who placed two small coins into the temple treasury. These coins were likely bronze "lepta" or "prutot" of Alexander Jannaeus, the Hasmonean King of Judaea from 103 to 76 B.C. Although these coins were minted long before Christ's lifetime, they were still in circulation during the first century A.D. Because the lepton and prutah were the lowest denomination coins that circulated in Jerusalem during Christ's lifetime, they are believed to be the coins referred to in the Biblical story of the poor widow. The lepton is the very smallest denomination and is probably the true "widow's mite." In fact, the lepton is probably the lowest denomination coin ever struck by any nation in all of history! Lepton and prutah were carelessly and crudely struck, usually off center and on small flans.

STREET LIFE MINISTRIES

Street Life Ministries is a community-based non-profit that serves the homeless and at-risk population of Menlo Park and Redwood City. We build environments and relationships where community volunteers can provide food, clothing, housing referral, addiction recovery, and other personal support. For over ten years, Street Life volunteers have met on the streets for people on the streets. Street Life Ministries is operated by passionate people of different Christian traditions who share a common desire to see the message of Jesus lived out in tangible ways. We meet together on the street and believe in helping those in need with the Word of God and a plate of hot food. We need volunteers who are willing to serve, cook meals, or drive our van to deliver to street locations. Our ministry is on **Monday** and **Wednesday** in **Redwood City**, and **Tuesday** and **Thursday** at the **Menlo Park Train Station** from **07:30-09:00 PM** each night. Please visit our website, www.streetlifeministries.org, to get descriptions of the services needed, or if you want to contact our volunteer leaders directly please email them:
