SAINTS AND OBSERVANCES

SOLEMNITY, FEAST, MEMORIAL • OPTIONAL MEMORIAL • OTHER

17 MAR (Thursday):

SAINT PATRICK OF IRELAND, Bishop (385-461)

Patrick was probably the son of a Roman-British official. At 16, he was captured by raiders and taken to pagan Ireland to tend sheep. He escaped from slavery, studied for the priesthood in Britain, and was ordained. He was consecrated a bishop around **432** and was returned to Ireland. He raised the standards of scholarship and tirelessly preached the Gospel despite the opposition of chieftains and Druids whom he is said to have overcome by miraculous means. He converted most of the island to the faith, and of course is now revered as the patron saint of Ireland.

FATHERS:

Pray to **St. Joseph**. Ask for his intercession and help. He understands the particular concerns, burdens and obligations of fathers, and he is ready and well able to intercede with our blessed Lord to send you the graces and strength you need in this most noble of callings. Do not hesitate to ask for his assistance.

19 MAR (Saturday):

SAINT JOSEPH, Husband of the Virgin Mary

The Bible pays Joseph the highest compliment: he was a “just” man. The quality meant a lot more than faithfulness in paying debts. When the Bible speaks of God “justifying” someone, it means that God, the all-holy or “righteous” One, so transforms a person that the individual shares somehow in God’s own holiness. By saying Joseph was “just,” the Bible means that he was one who was completely open to all that God wanted to do for him. He became holy by opening himself totally to God.

“In him the Old Testament finds its fitting close. He brought the noble line of patriarchs and prophets to its promised fulfillment. What the divine good had offered as a promise to them, Joseph held in his arms.”

St. Bernadine of Siena

PARISH PENANCE SERVICE CANCELLED

I deeply regret that we need to cancel the Parish Penance Service for this Lent because of a difficulty in assuring a sufficient number of priests to be here. Because it would fall in the same week as St. Patrick's Day and the Holy Oils Mass at the cathedral, I could not get assurances of enough help by priests to make it practical. I would certainly encourage you to avail of the opportunity to receive the Sacrament of Reconciliation on the Saturdays before Easter at our regular times.

Msgr Steven Otellini

This weekend there is a special collection for Nativity's **Altar Society**. This collection will be used for Holy Week and Easter flowers and decorations. Thank you for your continued support of our Altar Society.

SEMINARS: CATHOLIC ESTATES AND END-OF-LIFE PLANNING

When it comes to end-of-life bioethical decisions and estate, funeral and burial planning, many people do not know where to begin. Because of this, a great number of people die without having had the opportunity to make funeral and estate plans. And when it comes to making ethical decisions about medical care, many people just don't know where to receive good advice. The Archdiocese of San Francisco and Catholic Cemeteries are offering a seminar on these topics. Please note that there will be no sales pitch; the goal is to provide up-to-date information that will be of help to families in planning for the future. All parishioners are welcome, and refreshments will be served. The seminar is free, but pre-registration through the Office of Development is requested at development@sfarch.org or **415/614-5580**.

FROM THE HOLY SEE

THE HOLY FATHER'S PRAYER INTENTIONS

Each month **His Holiness** asks for general and missionary prayer intentions. For **March 2016**, the Holy Father's prayer intentions are:

Universal: *Families in Difficulty*

That families in need may receive the necessary support and that children may grow up in healthy and peaceful environments.

Missionary: *Persecuted Christians*

That those Christians who, on account of their faith, are discriminated against or are being persecuted, may remain strong and faithful to the Gospel, thanks to the incessant prayer of the Church.

HOLY THURSDAY FOOT WASHING

12 volunteers are needed for the Washing of the Feet, which takes place at the **07:00 PM** Mass on **Holy Thursday, 24 MAR 2016**. This ceremony recalls Jesus' washing the feet of his disciples, to illustrate what it means to serve one another. During Mass the 12 "disciples" are seated in chairs in front of the communion rail and remove one shoe and sock, while Monsignor imitates Jesus by washing the feet of his parishioners. The 12 are asked to come early to make sure everyone is present, and to receive instructions before Mass begins. Catholic or non-Catholic adults, teens, and well-prepared children are welcome. While not a sacrament, it is an occasion of grace for each participant. Please call the rectory **650/323-7914**, or email **Charlotte Pace**, cpace@stanford.edu.

EASTER VIGIL INVITATION

There are only three Masses on **Easter Sunday (08:00, 09:30 and 11:30 AM)**, and they have become extremely crowded. There's a way to avoid this: The **Easter Vigil on Saturday at 08:00 PM** usually has room for more worshippers. Held deliberately after sundown, the two-hour vigil opens in the courtyard with the lighting of the Easter Candle, the symbol of the Risen Christ. From this single flame worshippers in the darkened church light their own candles; in this candle-lit glow, we stand together as Monsignor reverently chants the *Easter Proclamation*, a liturgical treasure announcing the Resurrection. There are a few scripture readings related to salvation history, and then, finally, after the long Lenten drought, we sing the "*Gloria*" accompanied by bells and the Gospel "*Alleluia*" with the solemn traditional chant. Throughout there is beautiful music sung by the choir accompanied by organ, trumpet and strings. Those in our community who have been preparing for entrance into the Church in the RCIA are baptized and confirmed and receive First Communion. We end the evening with a reception in the O'Hare Center. This deeply moving vigil is our inheritance as Christians, and we owe it to ourselves to experience it several times in our lifetime. **Saturday, 26 MAR 2016, 08:00 PM.**

TRIDUUM LITURGIES USHERS NEEDED

The Triduum liturgies (**Holy Thursday, Good Friday, and Holy Saturday**) are rich in detail, with extra rites that require volunteers. We particularly need ushers to help with the **Easter Vigil, Saturday, 26 MAR 2016, 08:00 PM**. All that is required is to come early, help distribute candles to all worshippers as they arrive, and help keep the reserved sections free for RCIA participants and lay ministers. Extra ushers are also needed at the Easter morning Masses to help with seating and standing at these very crowded Masses. If you would like to help, please call the rectory **650/323-7914**, or email **Charlotte Pace**, cpace@stanford.edu. Helping with liturgy is an occasion of personal grace for each volunteer.

DID YOU KNOW?

1. The well-known legend of the shamrock connects it definitely to St. Patrick and his teaching. Preaching in the open air on the doctrine of the Trinity, he is said to have illustrated the existence of the Three in One by plucking a shamrock from the grass growing at his feet and showing it to his congregation. The trefoil, being a sacred plant among the Druids, and three being a mystical number in the Celtic religion, it is probable that St. Patrick must have been aware of the significance of his illustration.

2. Although the stories of Saint Patrick driving all the snakes out of Ireland are widespread, it should be noted that there have never been any snakes native to Ireland. As an island surrounded by salt water, Ireland didn't exist at the time the prehistoric predecessors of snakes would have wandered over from the mainland of Europe. (P.S., New Zealand doesn't have any indigenous snakes, either: same reason).

3. While the "wearing of the green" is popular on Saint Patrick's Day, in many communities (like the Polish) it is customary to wear white and red on Saint Joseph's Day (March 19th).

4. Saint Joseph's feast day is the day on which the first cliff swallows return to their roosts in San Juan Capistrano (back from their winter vacations in Argentina).

Legend has it that the swallows took refuge in the Mission San Juan Capistrano from an irate innkeeper who destroyed their muddy nests. The swallows return to the old ruined church each spring knowing they will be protected within the mission's walls. In fact, the city has taken their safety seriously, passing an ordinance against destroying their nests.

So-called "scout swallows" precede the main flock each year by a few days but the majority of the small birds usually arrive on the 19th and begin rebuilding the mud nests that cling to the ruins of the old stone church and throughout the Capistrano Valley.
